Herald: In the days of the Principality, their Highnesses Haos and Bryony, seventh Prince and Princess of Lochac, decided that those fighters who made a determined effort to improve their appearance on the field should be suitably rewarded. We still hold that a shining helm upon the field is a thing to be desired, and so the Kingdom of Lochac continues the tradition with the Order of the Silver Helm. So that the combatants of Lochac may be inspired to better display themselves upon the field that all may see their glory, their Majesties would honour [*Name*], and ask him/her to come before them.

Recipient kneels before their Majesties.

Crown: *Speak of the recipient's achievements and presentation on the field.*

Herald: Know all that their Majesties, King [*Name*] and Queen [*Name*] have this [*day*] of [*month*] Anno Societatis [*year*] made [*Name*] the newest member of the Order of the Silver Helm – three cheers!
