Herald: Though Lochac is a peaceful Kingdom, it happens that at times the drums of war are sounded, and the Crown must call on the combatants of the Kingdom to do their duty. The armies of Lochac are great and varied, with many skills, both martial and supportive. The Crown would recognise those who through their labours strengthen the Armies of Lochac and thus the Kingdom itself. It is for this reason that the Miles Regni was created, to recognise those who give their best in the defence of Lochac, whatever their area of expertise.

Let [*Name*] come before their Majesties.

Recipient comes before their Majesties and kneels.

Crown: *Speak of the recipient's deeds and bestow the token of the order.*
