

Sanguine Torse

(formerly Miles Regni)

Token: A shield pendant.

Preparation: Decide whether an Award of Arms is being incorporated.

Herald: Though Lochac is a peaceful Kingdom, it happens that at times the drums of war are sounded, and the Crown must call for the armies of Lochac to gather.

There are many who strengthen these armies with their labours, both martial and supportive. We honour those who give their best in the defence of Lochac with the Order of the Sanguine Torse, and name them our Milites Regni, Soldiers of the Kingdom. Let any Miles Regni here present stand if able, and make themselves known.

Crown: *(Personal words as they see fit, and bestowal of token.)*

Herald: Be it known that their Majesties, [Title] [Name] and [Title] [Name], have this [day] of [month], Anno Societatis [year], made [Name] a Miles Regni, the newest member of the Order of the Sanguine Torse.

(If an Award of Arms is being given with this award:)

We also grant you an Award of Arms, and with it the rights and titles of a noble of the realm. We charge you with the responsibilities of this rank, and we further grant you the right to bear as personal arms such device as you may have properly registered with our heralds, in the Kingdom of Lochac and throughout the Known World.

For [Name], newest member of the Order of the Sanguine Torse, three cheers! *(Hip hip, etc.)*
