

Azure Lily

Token:	A Star and Lily token on a blue cord.
--------	---------------------------------------

Herald: It is the right and privilege of the Crown to recognise the deeds of all their subjects, great and small. The smallest and youngest among us may be invited to the Mouse Guard – yet, as they grow, so too may their skill and service, and this is worthy of further recognition. The youth of the kingdom are the future of Lochac, and so in the 58th year of the Society, Aonghus and Ginevra, 43rd Crown of Lochac, created a new branch of awards to recognise their deeds.

The artisans of Lochac bring beauty to our kingdom, and in the flowering of their knowledge and skill, they inspire us all to excel. Therefore, as the artisans of their elders are honoured with the Star and Lily, the artisans of our youth are honoured with the Order of the Azure Lily.

Crown: *(Personal words as they see fit, and bestowal of token.)*
