

From Crux Australis

Greetings to all in Lochac,

We are rejoicing at the news that Lochac has Heirs. Congratulations to Stratigos Ariston and Hauptmann Jochen for being the new Prince and Prince of Lochac.

Also congratulations to Orlock Hanbal and Baroness Ute as the new Champions of Lochac.

Alas the Letter of acceptances and returns has not been published at the time of my writing so I can not congratulate the recipients of registrations. As soon as it is published I will post it on the Lochac Book of Faces.

There has been some confusion on reporting periods for Heralds to report to their upline, so I have tried to make it simpler.

- * Heralds of Baronies and Shires shall report quarterly, by the ***1st of February, May, August, and November*** to Crux (me at the moment)
- * Heralds of Incipient Groups, Colleges and Cantons shall report quarterly, by the ***1st of January, April, July and October*** to their Baronial Herald, who will include the report in their report to me.

Failure to so report without appropriate explanation can be grounds for suspension or removal from office.

More information on reporting for the other Officers can be found at <https://seneschal.lochac.sca.org/reports/>

As you may have seen on the Announce and Blazons list as well as on the Book of Faces, I will be ending my tenure in September and I am eagerly awaiting applications for my position. More information can be found about the position at

Please send your applications by Thursday 1st May 2025 to seneschal@lochac.sca.org with a courtesy copy to herald@lochac.sca.org

In service to the Crown,

Mistress Isabella
