Unto the Lochac College of heralds,
From Thorfinn Hrolfsson , Acting Lochac Herald,

Greetings,

I have been checking my references and files and from this I have several request to make of each of you.

I would like that all ceremonies be documented , so that there is a register of all Lochac ceremonies , this I shall also send to kingdom to form part of the West Kingdom register of ceremonies .

Enclosed is a list of your branch's heraldic submissions so you can check that I have a complete set of records of Lochac submissions . If you know of any persons , who have submitted directly to kingdom would you please send me copies of their submission forms .

I have been reading my roll of Australian Arms and I find that most of the devices for companies , schools and many municipalities are not listed on this Roll (it has 1000 entries). Therefore I request each of you to look about as you go about your daily tasks and to list and blazon any devices you see, also sending me a copy of what you find.

To help you understand the workings of the College of Heraldry , I suggest that a subscription to the Minutes of the College of Heraldry for the West Kingdom would be of much insight and knowledge .

(Flieg Hollander , 2322 Russell Street, Berkeley, 94705, CA, U.S.A.)

Hoping that this list of requests is not too onerous,
Your Servant and that of Lochac and the West .

THORFINN

Thorfinn Hrolfsson, Acting Lochac Herald.
